Brief Description of the Programme

A get together of Alumni and the Departmental teachers was held on 8th Oct/2022 in the premise of English Department Moridhal College. In total 15 Nos of ex-students of the Department gathered on the event. It was a simple informal gathering and the students recalled the past days of their studying in the department. They also let us know how they were benefited by pursuing English Honours course in the Department; they shared with the teachers about their experiences of present activities to which they are involved in as means of their livelihood. The teachers of the Department also shared with them about their current experiences of working in the Department.

Handwritten signature and date: 12/10/22

The alumni students let the teachers know that they will organise a co-curricular programme at the department for the benefit of the current students as per their convenience.
