SUGGESTIONS FROM FACULTY

The faculty responded to an open ended question and provided suggestions for future development of the college as follows:

- More ICT tools should be added. Individual digital classrooms are needed for each Department.
- More emphasis should be laid on mental well being of students through organizing awareness on mental health and Yoga practice.
- Effective measures should be taken to facilitate students for career guidance, entrepreneurship development and coaching for entry into services.
- A separate room should be set up for Career Information and Career Guidance.
- Coverage of WiFi connectivity in the college campus should be enhanced.
- The nuclei of the ethnic cultural museum in the departments of Assamese and Anthropology should be developed and scientific approach adopted for preservation.
- Solar energy should be used as an alternative source of energy in the college.
- The college should introduce N.C.C.
- Day care centre needs to be activated in the college for the women employees.
- More students should be involved in programmes and activities organized by the college inside and outside the college.
- The college should provide a purified group-drinking-water facility.
- Washroom should be improved with updated facilities and incinerator provided for napkins disposal for female faculty and students.
- More Laboratory equipments should be procured to facilitate all students of a semester class doing practical at a time.
- The Library should make available text and reference books related to FYUGP to cater to the needs of changing curriculum.
