7. The Programme in Brief: Keeping in tune with the MOU between Moridhal College and St. Joseph College organized a popular talk on “Paradigm Shift in Teaching-Learning for the 21st Century Learner” as a part of knowledge sharing activity. The programme was presided over by the Dr. Dipen Saikia, Principal, Moridhal College, who initiated the programme with his welcome address. Dr. Lekhan Gogoi, Coordinator, IQAC, Moridhal College explain the objective and its importance saying that the programme was organized to keep abreast the faculty about the National Education Policy, 2020 in its pros and cons.

The invited resource person was Fr. Dr. Donatus Kujur, Principal, St. Joseph College, who accompanied with Dr. Padam Nepal, Coordinator, IQAC, St. Joseph College. In his talk Dr. Kujur focused on NEP, 2020 and the emerging new challenges in Higher Education, responsibilities of the Faculties of 21st Century and the innovative approach to meet up with the challenges.

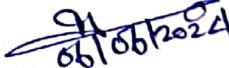

More than hour long resourceful deliberation was followed by active interaction from the faculty members who expressed queries, observations, views and opinions. The resource person extended comprehensive and insightful response with lucidity and simplicity to the satisfaction of the participants.

Speaking on the occasion, Dr. Nepal highlighted how two colleges would be benefitted under the scope of the MOU in terms of knowledge sharing and Teacher-Student exchange programme in future. At length, Hari Prasad Kaphley, Joint Coordinator, IQAC, Moridhal College expressed great hope that in future the two colleges would work in collaboration for student exchange programmes and pursuance of research work and declared the end of the programme.
