## **STANDARD OPERATING PROCEDURE (SOP) OF ECO CLUB, MORIDHAL COLLEGE**

The Rules and Regulations of Eco Club, Moridhal College amended on 08-09-2023 as Standard Operating Procedure (SOP) of Eco Club, Moridhal College. This Standard Operating Procedure (SOP) is in force with due approval of the Governing Body as modus operandi for Eco Club of the college.

**Motto: Live and Let Live with Green, Clean and Sound Environment**

### **Formation of the Eco Club**

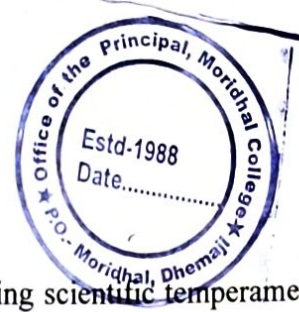

The Eco Club of the college is constituted by the Principal in consultation with IQAC of the college subject to the approval of the Governing Body with the following officials and members for a tenure of 03 (Three) years:

- Advisor : The Principal of the College
- Co-ordinator : One from Faculty
- Members : 05 (Five) from faculty other than the above  
: 10 (Ten) from students both male and female

### **Objectives**

- To cultivate scientific temperament among the students and local public.
- To create awareness on population education.
- To create awareness on eradication of superstition, social and legal justice, human rights and women empowerment.
- To create awareness on protection and preservation of environment.
- To maintain clean and hygienic environment in the college campus as well as in the locality

## Functions

1. The Club will organise awareness programmes on cultivating scientific temperament among the students and in the locality.
2. The Club will organize programme(s) in collaboration with GOs and NGOs against social evils like superstitions, drug abuse, Witch hunting and child marriage.
3. The Club will organise awareness programmes on impact of climate change, need for protection and preservation of environment, against encroachment of forest land and undertake plantation beside public roads and in public institutions.

**N.B. :** *The Club may be re-constituted by the college authority in consultation with the IQAC subject to the approval of the Governing Body as and when required.*
