Intimation Regarding Transparent Mechanism for Timely Redressal of Students' Grievances

The college has developed a transparent mechanism of its own to deal up with grievances, complaints and suggestions of its stakeholders. A Grievance Redressal Cell is constituted comprising of members from teaching and non-teaching staff and students. The College clamped complaint/suggestion boxes at different noticeable places in the college campus for lodging grievances, opinions and suggestions as the case may be, which are scrutinized weekly and accordingly follow up actions taken by the cell.

There is a Disciplinary Committee formed of teaching, non-teaching staff and students' representation to handle all disciplinary related cases. There is also a Women Cell constituted of lady teachers of the college which works for the women related issues including sexual harassment. As per the UGC guidelines (2009), the College constituted Anti Ragging Committee comprising of members from teaching and non-teaching staff and students, and an Anti Ragging Squad with members from teaching staff to deal with the manace of ragging strictly and promptly.

During the academic session 2020-2021, the college mostly remained closed owing to COVID 19 Pandemic and classes were conducted both offline and online modes, a few petty grievances were verbally communicated to respective teachers, e.g. network failure and unable to afford Android mobile to attend the online classes, and transportation and accommodation problems during sporadic offline classes since hostels were kept closed following Govt. SOP.
